3D Animator / Story Artist

PRODUCTION EXPERIENCE

Fisher Price - 2022 to 2022

-3D Animator-

Used skills in animation to improve and accentuate key points of character performance, such as comedic beats and important dramatic situations.

Resorted to my understanding of various tools available through the software and not integrated into the software, to expedite the animation process.

Constantly maintained communication with team leads and co-workers to ensure a smooth production process, receive feedback, and contribute to production-related discussions and inquiries.

Netflix Animation - 2021 to 2022

-Mentorship Program -

Exploration of Storyboarding techniques.

Study of camera work.

Analysis and practice of layout.

COLLABORATION

"DeBug" - 2018 to 2021

-Production Generalist-

Defined story using improv techniques

Designed characters and the main aesthetic of the film.

Animated a variety of shots

Enhanced acting and performance of the characters.

Maintained daily communication with the team and kept a log of progress and deadlines

Enhanced visual language through compositing and visual effects

"Powerless" 2021

-Background artist-

Used knowledge of color theory to define lights and shadows

Improved final rendered images through an understanding of digital painting techniques
